Mike,

I have been trying to reach David Berry to see if he had a chance to review the outstanding HHRA WP comments I drafted and have been unsuccessful. Do you know if he is out on leave? The comments were due to Roux last Friday. Please let me know if you have been in touch with him and how I should proceed. Brian reviewed and approved of the BERA WP comments I drafted, so those are ready to be sent to Roux.

Thank you,
Erin

Subject: BHHRA WP Interim Deliverable

Mr. Cirian,

Please see the attached Interim Deliverable for the Baseline Human Health Risk Assessment (BHHRA) Work Plan. This deliverable was prepared to supplement the general risk assessment framework provided in the BHHRA Work Plan.

CFAC/Roux will submit one more interim deliverable in the upcoming weeks regarding refined ESVs to supplement the BERA WP.

Please feel free to reach out if you have any questions regarding this submittal.
